Proposed Acquisition of TClarke plc (the "**Company**")

1. INTRODUCTION

I, the undersigned, understand that:

- 1.1 the Offeror is considering making a cash offer to acquire all the issued and to be issued ordinary shares of 10 pence each in the capital of the Company (the "**Ordinary Shares**") other than those Ordinary Shares owned by the Offeror and its associated companies at the time of publication of the formal document (the "**Scheme Document**") containing details of a Scheme (as defined below) or a formal document (the "**Offer Document**") containing an Offer (as defined below) (the "**Proposed Acquisition**");
- 1.2 it is intended that the Proposed Acquisition will be implemented by way of a court-sanctioned scheme of arrangement under Part 26 of the Companies Act 2006 (a "**Scheme**"), but the Offeror has reserved the right to elect to implement the Proposed Acquisition by way of a takeover offer, as defined in the Companies Act 2006 (an "**Offer**"); and
- 1.3 the Proposed Acquisition will be made substantially on the terms and conditions to be set out in a firm offer announcement (the "**Press Announcement**") to be made under Rule 2.7 of the City Code on Takeovers and Mergers (the "**Code**") and substantially in the form of the attached draft Press Announcement in Schedule 2, together with any additional terms and conditions as may be required by: (i) the Panel on Takeovers and Mergers (the "**Panel**"); (ii) the Code; (iii) any other relevant securities exchange and/or any other applicable law or regulation; (iv) or as the Offeror and the Company may agree.

2. WARRANTIES AND UNDERTAKINGS

I irrevocably and unconditionally undertake, agree, represent and warrant to and with the Offeror that:

- 2.1 I have the power and authority to enter into this undertaking and perform my obligations under it;
- 2.2 I am the registered holder and/or beneficial owner of, or am otherwise able to control the exercise of all rights, including voting rights, attaching to, the Ordinary Shares specified in Part 1 of Schedule 1 (the "**Shares**", which expression will be deemed to include any shares in the capital of the Company (other than any Plan Shares (as defined below)):
 - 2.2.1 attributable to or derived from the Shares or into which the Shares may be converted, subdivided or consolidated as a result of any reorganisation of the share capital of the Company; and/or

2.2.2 in which I acquire an interest,

in each case after the date of this undertaking);

- 2.3 I am able to procure the transfer of the Shares free from all liens, equities, charges, encumbrances, options, rights of pre-emption, and any other third party rights and interests of any nature;
- 2.4 I am also the holder of the option(s) and/or award(s) granted under the Company's employee share plans (the "**Share Plans**") over the number of Ordinary Shares specified in Part 2 of Schedule 1 (the "**Plan Shares**") and, on acquisition, those Plan Shares will be treated as Shares for the purposes of this undertaking;
- 2.5 I am not interested in, or otherwise able to control the exercise of voting rights attaching to, any shares or other securities of the Company other than those of which details are set out in Schedule 1;
- 2.6 unless and until the obligations under this undertaking lapse in accordance with the terms of this undertaking, I will not and, if applicable, I will procure that the registered holder of the Shares will not:
- 2.6.1 sell, transfer, charge, encumber, pledge or grant any option over or otherwise dispose of any of the Shares or any interest in any of the Shares except to the Offeror under the terms of the Proposed Acquisition;
- 2.6.2 accept or give any undertaking in respect of any other offer or similar transaction in respect of any of the Shares which might frustrate the Proposed Acquisition or any part thereof (whether it is conditional or unconditional and irrespective of the means by which it is to be implemented);
- 2.6.3 acquire any further interest in any Ordinary Shares other than pursuant to the Share Plans unless the Panel has first determined, and confirmed to the Offeror and the Company, that I am not acting in concert with the Offeror for the purpose of Note 9 on the definition of "acting in concert" in the Code; or
- 2.6.4 enter into any agreement or arrangement with any person, whether conditionally or unconditionally, or solicit or encourage any person, to do any of the acts referred to in this paragraph 2.6; and
- 2.7 unless and until the obligations under this undertaking lapse in accordance with the terms of this undertaking, I will not, in my capacity as a shareholder of the Company, without the prior written consent of the Offeror, convene or requisition, or join in convening or requisitioning, any general or class meeting of the Company.
- 2.8 Notwithstanding the provisions of paragraph 2.6 above, prior to my voting in favour of the Scheme in accordance with paragraph 3 below, or, if applicable, my acceptance of the Offer in accordance with paragraph 4 below, nothing in this paragraph 2 shall prevent me from transferring some or all of the Shares (in one or more transactions) (such shares being the "**Transferred Shares**") to one or more of my connected persons (being family members within the meaning given in section 253 of the Companies Act 2006) and trusts of which I or such family members are the beneficiaries) provided that:
- 2.8.1 such a transfer is undertaken as part of my bona fide tax planning;
- 2.8.2 I notify you no less than three Business Days before such transfer; and
- 2.8.3 on the date of such transfer, I shall procure that the transferee or beneficiary of such Transferred Shares sign and deliver to you irrevocable undertakings in respect of such Transferred Shares on terms no less favourable to you than those set out herein (save in

circumstances where such a transferee has already signed and delivered to you an irrevocable undertaking on terms which extend to such Transferred Shares).

3. **SCHEME**

Subject to your announcing the Proposed Acquisition in accordance with Rule 2.7 of the Code by 5.00 p.m. on 16 April 2024 (or such later date as the Offeror and the Company may agree), I irrevocably and unconditionally undertake to the Offeror that, if the Proposed Acquisition is implemented by way of a Scheme:

3.1 I shall, unless the Offeror otherwise requests in writing, exercise or, where applicable, procure the exercise of, all rights attaching to the Shares on any resolution, whether or not amended and whether put to a show of hands or a poll, which is proposed at any general or class meeting of the Company, including any adjournment thereof, or at any meeting of holders of shares in the Company convened by a court pursuant to section 896 of the Companies Act 2006, including any adjournment thereof, (any such meeting being a "**Shareholders' Meeting**") which:

3.1.1 is necessary to implement the Proposed Acquisition;

3.1.2 might reasonably be expected to have any impact on the fulfilment of any condition to the Proposed Acquisition;

3.1.3 might reasonably be expected to impede or frustrate the Proposed Acquisition in any way (which shall include any resolution to approve a scheme of arrangement relating to the acquisition of any shares in the Company by a third party); or

3.1.4 might otherwise reasonably be expected to impact on the success of the Proposed Acquisition,

in each case, in a manner which is consistent (as determined by the Offeror) with my obligations in this undertaking, unless I am unable to take any such steps by operation of law or any ruling of the Panel;

3.2 I shall exercise or, where applicable, procure the exercise of, all rights attaching to the Shares to requisition or join in the requisitioning of any general meeting of the Company for the purposes of voting on any resolution referred to under paragraph 3.1, or to require the Company to give notice of any such meeting, only in accordance with the Offeror's instructions, unless I am unable to take any such steps by operation of law or any ruling of the Panel;

3.3 for the purposes of voting on any resolution referred to under paragraph 3.1, I shall, if required by the Offeror, execute, or procure the execution of, any form of proxy required by the Offeror appointing any person named by the Offeror to attend and vote at the relevant meetings and I shall not amend, revoke or withdraw any such form of proxy; and

3.4 without prejudice to paragraph 3.3, I shall after the despatch of the Scheme Document to shareholders of the Company (and without prejudice to any right I have to attend and vote in person at the Shareholders' Meetings to implement the Proposed Acquisition (including any adjournment thereof)):

3.4.1 in the case of those Shares referred to in Part 1 of Schedule 1, as soon as reasonably practicable and in any event prior to the deadline to lodge proxy forms for the Shareholder Meetings; or

3.4.2 in the case of any other Shares, as soon as reasonably practicable after the date on which I become able to control the exercise of the voting rights attaching to those Shares and in any event prior to the deadline to lodge proxy forms for the Shareholder Meetings,

return or, if applicable, procure the return of the signed forms of proxy enclosed with the Scheme Document (completed and signed and voting in favour of the resolutions to implement the Proposed Acquisition) in accordance with the instructions printed on those forms of proxy and, if applicable take or procure the taking of any other action, in respect of any Shares held in uncertificated form, which may be required by or on behalf of the Offeror or its nominated representative in order to make a valid proxy appointment and give valid proxy instructions (voting in favour of the resolutions to implement the Proposed Acquisition).

4. OFFER

Subject to your announcing the Proposed Acquisition in accordance with Rule 2.7 of the Code by 5.00 p.m. on 16 April 2024 (or such later date as the Offeror and the Company may agree), I irrevocably and unconditionally undertake to the Offeror that, if the Proposed Acquisition is implemented by way of an Offer, I shall:

4.1 unless the Offeror otherwise requests in writing, exercise or, where applicable, procure the exercise of, all rights attaching to the Shares on any resolution, whether or not amended and whether put to a show of hands or a poll, which is proposed at any Shareholders' Meeting which might reasonably be expected to:

4.1.1 impede or frustrate the Proposed Acquisition in any way (which shall include any resolution to approve a scheme of arrangement relating to the acquisition of any shares in the Company by a third party); or

4.1.2 impact on the success of the Proposed Acquisition,

in a manner which is consistent (as determined by the Offeror) with our obligations in this undertaking unless we are unable to take any such steps by operation of law or any ruling of the Panel;

4.2 after the despatch of the Offer Document to shareholders of the Company:

4.2.1 in the case of those Shares referred to in Part 1 of Schedule 1, as soon as reasonably practicable and in any event within seven Business Days after the date of the Offer Document; or

4.2.2 in the case of any other Shares, as soon as reasonably practicable and in any event within seven Business Days after the date on which I become able to control the voting rights attaching to those Shares,

duly accept or, if applicable, procure acceptance of the Offer, in accordance with its terms in respect of such Shares; and

4.3 notwithstanding that the terms of the Offer Document will confer rights of withdrawal on accepting shareholders, I shall not withdraw any acceptance of the Offer in respect of the Shares or any of them and shall procure that no rights to withdraw any acceptance in respect of such Shares are exercised.

5. PUBLICITY AND PROVISION OF INFORMATION

5.1 I acknowledge that in accordance with:

 - 5.2.1 the issue of the Press Announcement with the references to me and the registered holder of any Shares in which I have (or will have as the case may be) a beneficial interest and this undertaking substantially in the form and context in which they appear in the form of the draft Press Announcement attached to this undertaking as Schedule 2;
 - 5.2.2 the despatch of the Scheme Document and/or Offer Document (as applicable) containing particulars of this undertaking and, if required, details of my interests and dealings, and the interests and dealings of any person acting in concert with me, in securities of the Offeror and/or the Company as required by the Code; and
 - 5.2.3 references to me and this undertaking in any other announcement made, or related document issued, by or on behalf of the Offeror and/or the Company in connection with the Proposed Acquisition, provided that any such reference is: (a) required by applicable law or regulation; (b) repeating (or summarising) any reference made in a previous announcement or document; or (c) announcing or explaining steps in relation to its enforcement; and
 - 5.2.4 this undertaking being published on a website following issue of the Press Announcement.
- 5.3 I will notify the Offeror immediately of any dealings by me or my close family relatives and related trusts in securities of the Offeror and/or the Company after the date of this undertaking and before the obligations under this undertaking lapse in accordance with the terms of this undertaking.

6. LAPSE OF UNDERTAKING

- 6.1 All obligations under this undertaking will lapse and cease to have any effect:
 - 6.1.1 immediately if the Press Announcement is not released by 5.00 p.m. on 16 April 2024 (or any later date agreed between the Company and the Offeror);
 - 6.1.2 immediately if the Offeror announces, with the consent of the Panel, that it does not intend to proceed with the Proposed Acquisition;

 - 6.1.4 on and from the time and date on which the Proposed Acquisition is withdrawn, lapses or otherwise terminates in accordance with its terms,

provided that the lapsing of this undertaking will not affect any accrued rights or liabilities in respect of non-performance of any obligation under this undertaking falling due for performance before such lapse.

- 6.2 If my obligations in this undertaking lapse, I shall have no claim against the Offeror and Offeror shall not have any claim against me, other than in respect of any prior breach of any of the terms of this undertaking.

7. **GENERAL**

- 7.3 I acknowledge that:
- 7.3.1 the release of the Press Announcement is at the Offeror's absolute discretion and the Offeror reserves the right not to release the Press Announcement;

- 7.3.5 I have been given an adequate opportunity to consider whether or not to give this undertaking and to obtain independent advice about the nature of this undertaking.
- 7.4 I acknowledge that, if I breach any of my obligations in this undertaking, damages alone would not be an adequate remedy and that an order for specific performance would be an essential element of any adequate remedy for that breach.
- 7.5 Any reference to a time, date or period in this undertaking is a reference to London time and may be extended by mutual agreement between the Offeror and the Company but, as regards any time, date or period originally fixed or so extended, time will be of the essence.

RECOMMENDED CASH ACQUISITION

OF

TCLARKE PLC

BY

REGENT ACQUISITIONS LIMITED

**to be effected by means of a scheme of arrangement
under Part 26 of the Companies Act 2006**

Summary

- The boards of directors of Regent Acquisitions Limited ("Regent") and TClarke plc ("TClarke") are pleased to announce that they have reached agreement on the terms and conditions of a recommended cash offer by Regent for the entire issued and to be issued share capital of TClarke not already held by any member of the Wider Regent Group (the "Acquisition").
- Under the terms of the Acquisition, each TClarke Shareholder (other than any member of the Wider Regent Group) will be entitled to receive:

for each TClarke Share:

160 pence in cash (the "Consideration")

and

a final dividend of 4.525 pence for TClarke's financial year ended 31 December 2023 (the "Permitted Dividend")

- TClarke announced the Permitted Dividend on 15 March 2024 and TClarke Shareholders on TClarke's register of members at the relevant record date will be entitled to receive and retain the Permitted Dividend regardless of whether the Acquisition becomes Effective (and without any reduction to the Consideration if the Acquisition does become Effective). Subject to approval at the TClarke AGM, the Permitted Dividend is due to be paid on 7 June 2024 (earlier than the previously announced payment date of 14 June 2024 (as separately announced by TClarke today)).
- The Consideration values the entire issued and to be issued share capital of TClarke at approximately £90.56 million, and implies a multiple of approximately 11.64 times TClarke's EPS for the twelve months ended 31 December 2023.
- The Consideration represents a premium of approximately:

- 28.00 per cent. to the Closing Price of 125.00 pence per TClarke Share on 15 April 2024 (being the last Business Day before the commencement of the Offer Period);
 - 27.22 per cent. to the Volume Weighted Average Price of 125.77 pence per TClarke Share during the three-month period ended 15 April 2024 (being the last Business Day before the commencement of the Offer Period);
 - 27.81 per cent. to the Volume Weighted Average Price of 125.18 pence per TClarke Share during the six-month period ended 15 April 2024 (being the last Business Day before the commencement of the Offer Period); and
 - 31.1 per cent. to the placing price of 122 pence per TClarke Share, the price at which TClarke's secondary fundraising, announced on 6 July 2023, was completed.
- Except for the Permitted Dividend, if on or after the date of this Announcement and before the Effective Date, any dividend, distribution or other return of capital is announced, declared, made or paid or becomes payable in respect of TClarke Shares, Regent reserves the right to reduce the Consideration that would be payable for the TClarke Shares pursuant to the Acquisition by an amount up to the amount of such dividend and/or distribution and/or other return of capital, in which case any reference in this Announcement to the Consideration will be deemed to be a reference to the consideration as so reduced. In such circumstances, TClarke Shareholders would be entitled to retain any such dividend, distribution or other return of capital to which they are entitled.
 - It is intended that the Acquisition will be implemented by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (although Regent reserves the right to effect the Acquisition by way of a Takeover Offer, subject to the consent of the Takeover Panel and the terms of the Co-operation Agreement). The Conditions to the Acquisition are set out in full in Appendix 1 to this Announcement.

Recommendation

- The TClarke Directors, who have been so advised by Cavendish as to the financial terms of the Acquisition, unanimously consider the terms of the Acquisition to be fair and reasonable. In providing its advice to the TClarke Directors, Cavendish has taken into account the commercial assessments of the TClarke Directors. Cavendish is providing independent financial advice to the TClarke Directors for the purposes of Rule 3 of the Code.
- Accordingly, the TClarke Directors intend to recommend unanimously that TClarke Shareholders vote or procure votes in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting (or, subject to the consent of the Takeover Panel and the terms of the Co-operation Agreement, if Regent exercises its right to implement the Acquisition by way of a Takeover Offer, to accept or procure acceptance of such offer), as the TClarke Directors who hold TClarke Shares have irrevocably undertaken to do, or procure to be done, in respect of their own beneficial holdings (and the beneficial holdings of their close relatives and related trusts), being, in aggregate, 1,781,649 TClarke Shares (representing approximately 3.37 per cent. of the existing issued ordinary share capital of TClarke as at 15 April 2024 (being the last Business Day prior to the date of this Announcement)). Further details of these undertakings, including the circumstances in which they cease to be binding, are set out in Appendix 3 to this Announcement.

Background to and reasons for the Recommendation

- The TClarke Directors believe that TClarke's recognised and strong brand, built upon through a reputation for high quality engineering, reliability and on time delivery, stands as the basis for TClarke's continued sustainable growth. The TClarke Directors remain confident in both TClarke's ability to succeed as an independent business and the further opportunities for growth in the UK.

- Notwithstanding the strength of the business and the opportunities for growth, the TClarke Directors realise that the TClarke Shares have consistently traded at a discounted valuation multiple to its core peers in the public markets. Further, the TClarke Directors recognise that the market for the TClarke Shares is relatively illiquid, making it challenging for TClarke Shareholders to monetise their holdings in TClarke should they so wish.
- The TClarke Directors also believe that, in light of the opportunities, risks and historical trading of the TClarke share price, the offer from Regent of 160 pence per TClarke Share in cash presents an opportunity for TClarke Shareholders to accelerate the crystallisation of a certain value from their investment at an attractive premium, de-risks the return of value and allows full liquidity of their investment in TClarke.
- The Acquisition provides an opportunity for TClarke Shareholders to achieve an attractive premium to the current share price. The Consideration represents a premium of approximately:
 - 28.00 per cent. to the Closing Price of 125.00 pence per TClarke Share on 15 April 2024 (being the last Business Day before the commencement of the Offer Period);
 - 27.22 per cent. to the Volume Weighted Average Price of 125.77 pence per TClarke Share during the three-month period ended 15 April 2024 (being the last Business Day before the commencement of the Offer Period);
 - 27.81 per cent. to the Volume Weighted Average Price of 125.18 pence per TClarke Share during the six-month period ended 15 April 2024 (being the last Business Day before the commencement of the Offer Period); and
 - 31.1 per cent. to the placing price of 122 pence per TClarke Share, the price at which TClarke's secondary fundraising, announced on 6 July 2023, was completed.
- The Consideration values TClarke's entire issued and to be issued share capital at approximately £90.56 million on a fully diluted basis, and implies a multiple of approximately 11.64 times TClarke's EPS for the twelve months ended 31 December 2023.
- In addition to the financial terms of the Acquisition, in considering the intention to recommend the Acquisition, the TClarke Directors have also given due consideration to the assurances given by Regent as to its intentions with respect to the future operation of the business, including Regent's intentions to seek to continue growing the business in the UK, and the importance placed by Regent on the existing employees of TClarke.
- The TClarke Directors, who have been so advised by Cavendish as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its advice, Cavendish has taken into account the commercial assessments of the TClarke Directors. Cavendish is providing independent financial advice to the TClarke Directors for the purposes of Rule 3 of the Code.
- Accordingly, the TClarke Directors intend to recommend unanimously that TClarke Shareholders vote or procure votes in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting (or, subject to the consent of the Takeover Panel and the terms of the Co-operation Agreement, if Regent exercises its right to implement the Acquisition by way of a Takeover Offer, to accept or procure acceptance of such offer), as the TClarke Directors who hold TClarke Shares have irrevocably undertaken to do, or procure to be done, in respect of their own beneficial holdings (and the beneficial holdings of their close relatives and related trusts), being, in aggregate, 1,781,649 TClarke Shares (representing approximately 3.37 per cent. of the existing issued ordinary share capital of TClarke as at 15 April 2024 (being the last Business Day prior to the date of this Announcement)).

Background to and reasons for the Acquisition

- The original business of the TClarke Group was founded in 1889 and provided ‘wires encased in fire-proof materials’ that enabled the electrification for royal palaces including Windsor Castle and St James’ Palace. Since then it has developed its product offering across a range of services and sectors to include modern methods of construction, smart buildings and alternative energy solutions. It is now viewed nationally as the contractor of choice for building services across the UK and has a demonstrable track record of delivering growth. This is testament to the leadership of the TClarke Board, the Executives of which will continue to lead TClarke following the Acquisition.
- Regent has long admired TClarke’s reputation, heritage and its talented pool of employees. Regent knows TClarke well and has closely followed it since it first acquired shares in May 2018. The Acquisition follows Regent’s strategy to focus on areas of structural growth where it aims to obtain a greater presence in attractive segments such as those operated in by TClarke.

Information relating to Regent and the Wider Regent Group

- The Wider Regent Group, which was established in 1995, is a leading supplier of gas and metering services to industrial and commercial customers in the UK. The Wider Regent Group provides services to large consumers of gas across a range of sectors including, leisure, care homes, manufacturing, food production and retail.
- Regent is a company registered in England and has been incorporated since 5 April 2018. It is wholly-owned by Deep Valecha.

Information relating to TClarke

- In 1899, Thomas Clarke founded the original business activities of the TClarke Group that now bears his name as electrical engineers and contractors at 156 Sloane Street, London SW1. TClarke was incorporated in England and Wales on 23 December 1911 as a public company limited by shares with the name TClarke plc and with registered number 00119351. Its ordinary shares were admitted to the Official List and to trading on the Main Market of the London Stock Exchange on 8 September 1949.
- TClarke remains at the forefront of building services. Innovation and expertise are employed in the design, installation, integration and maintenance of the mechanical and electrical systems and technologies that a 21st century building needs for control, performance and sustainability. TClarke currently operates from nineteen locations serving the whole of the UK and employs a strategy of pursuing organic growth through five core market sectors, including engineering services, technology, infrastructure, residential and hotels, and facilities management.
- TClarke’s services encompass the full project lifecycle, from initial design and planning through to installation, commissioning, and ongoing maintenance. With a focus on safety, quality, and reliability, TClarke has completed numerous landmark projects, ranging from iconic skyscrapers and mixed-use developments to critical infrastructure upgrades and renovation projects. TClarke’s skilled workforce, technical capabilities, and collaborative approach have made it a trusted partner for delivering complex building services solutions.
- In its latest financial year to 31 December 2023, TClarke reported unaudited total revenue of £491 million (2022: £426 million) and a profit after taxation of £6.5 million (2022: £8.4 million).
- Further financial and other information on TClarke will be set out in the Scheme Document.
- TClarke’s issued share capital comprises 52,850,780 ordinary shares which, based on the Closing Price of a TClarke Share of 125.00 pence on 15 April 2024 (being the last Business Day prior to the date of this Announcement), equates to a market capitalisation of approximately £66.06 million.

Timetable and Conditions

- It is intended that the Acquisition will be implemented by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (although Regent reserves the right to effect the Acquisition by way of a Takeover Offer, subject to the consent of the Takeover Panel and the terms of the Co-operation Agreement).
- The purpose of the Scheme is to provide for Regent to acquire the whole of the issued and to be issued share capital of TClarke (other than the Excluded Shares). The Scheme will be put to TClarke Shareholders at the Court Meeting and the General Meeting. The Meetings are required to enable TClarke Shareholders to consider and, if thought fit, vote in favour of resolutions to approve the Scheme and its implementation. In order to become Effective, the Scheme must be approved at the Court Meeting by a majority in number of Scheme Shareholders, present and voting (and entitled to vote), whether in person or by proxy, representing at least 75 per cent. or more in nominal value of the Scheme Shares held by those Scheme Shareholders. The Resolutions must also be approved by TClarke Shareholders at the General Meeting. The General Meeting is expected to be held immediately after the Court Meeting.
- The Scheme must also be sanctioned by the Court and a copy of the Court Order must be delivered to the Registrar of Companies for registration, upon which the Scheme will become Effective.
- The Acquisition will be made in accordance with the Code and is subject to the Conditions and certain further terms set out in Appendix 1 to this Announcement, and to the full terms and conditions which will be set out in the Scheme Document. The Conditions include the receipt of a regulatory approval from the Secretary of State pursuant to the NSI Act as further described in this Announcement.
- The Scheme Document, containing further information about the Acquisition and notices of the Court Meeting and the General Meeting, together with the associated Forms of Proxy, will be posted to TClarke Shareholders as soon as reasonably practicable and in any event within 28 days of this Announcement (or such later time as TClarke, Regent and the Takeover Panel agree) giving the required notice for such Meetings. The Court Meeting and the General Meeting are each expected to be held as soon as possible thereafter.
- The Scheme is expected to become Effective at the end of the second quarter or early in the third quarter of 2024, subject to the satisfaction or (where applicable) waiver of the Conditions. An expected timetable of key events relating to the Acquisition will be provided in the Scheme Document.

Commenting on the Acquisition, Deep Valecha, CEO of Regent, said:

“TClarke is a business we have long admired since we started to invest in 2018. It is well run, has a strong culture helped by a commitment to a well-established apprentice scheme which offers career progression and a high degree of staff loyalty. Given our admiration for TClarke, as part of our plans, we would like TClarke to continue its business in the manner in which it has been conducted. We will support the management team in their ambitions to strengthen the balance sheet, and continue to grow the business.”

I am excited by the opportunities this new chapter present for TClarke to pursue its long-term strategies to drive sustainable growth and innovation and explore new initiatives.”

Commenting on the Acquisition, Iain McCusker, Chairman of TClarke, said:

“After careful consideration and extensive discussions, I am pleased that the TClarke Board have agreed to recommend that our shareholders accept the offer made by Regent.”

The TClarke Board considers that the terms of the offer are fair and that the Acquisition presents an opportunity for TClarke Shareholders to achieve an attractive premium to the current share price and the Consideration represents a premium of approximately 31.1 per cent. to the placing share price of 122 pence per TClarke Shares on 26 July 2023.

I would like to express my gratitude to all stakeholders and for the dedication and hard work of the TClarke employees whose contributions have played a pivotal role in our success so far. I am confident that together, with the support of Regent Acquisitions Limited, we will achieve even more in the years ahead.”

Commenting on the Acquisition, Mark Lawrence, Chief Executive of TClarke, said:

“I am pleased to share this exciting news regarding the future of TClarke. In addition to presenting an attractive premium for TClarke Shareholders, this transaction presents tremendous opportunities for TClarke to chart its own course as part of a larger group with significant financial strength, flexibility and autonomy as TClarke continues to pursue its long-term strategies that will drive sustainable growth and innovation.

This new chapter in our journey opens doors to explore bold initiatives and opportunities that may not have been feasible in the past. I am delighted that Regent understands and appreciates the strengths of the business and will be supporting our ambitions to further develop the TClarke Group as we move forward.

The Acquisition will allow us to prioritise initiatives that create lasting value for our customers, employees and stakeholders. Our commitment to excellence, integrity and customer satisfaction remains unwavering.”

Any person (including, without limitation, nominees, trustees and custodians) who would, or otherwise intends to, forward this Announcement, the Scheme Document or any accompanying document to any jurisdiction outside the United Kingdom should refrain from doing so and seek appropriate professional advice before taking any action. In particular, the ability of persons who are not resident in the United Kingdom to vote their TClarke Shares at the Court Meeting or the General Meeting, or to execute and deliver Forms of Proxy appointing another to vote their TClarke Shares in respect of the Court Meeting or the General Meeting on their behalf, may be affected by the laws of the relevant jurisdiction in which they are located.

Any failure to comply with the applicable legal or regulatory requirements may constitute a violation of the laws and/or regulations of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility and liability for the violation of such restrictions by any person. Further details in relation to Overseas Shareholders will be contained in the Scheme Document.

Unless otherwise determined by Regent or required by the Code, and permitted by applicable law and regulation, the Acquisition will not be made, in whole or in part, directly or indirectly, in or into or from a Restricted Jurisdiction where to do so would constitute a violation of the relevant laws or regulations of such jurisdiction and no person may vote in favour of the Acquisition by any such use, means, instrumentality or from within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Notice to US investors in TClarke

The Acquisition relates to the securities of an English company and is proposed to be effected by means of a scheme of arrangement under English law. This Announcement, the Scheme Document and certain other documents relating to the Acquisition have been or will be prepared in accordance with English law, the Code and UK disclosure requirements, format and style, all of which differ from those in the United States. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Securities Exchange Act of 1934, as amended (the “US Exchange Act”). Accordingly, the Acquisition is subject to the procedural and disclosure requirements of and practices applicable in the UK to schemes of arrangement, which differ from the procedural and disclosure requirements of the United States tender offer and proxy solicitation rules. However, if Regent elects to implement the Acquisition by way of a Takeover Offer and determines to extend the offer into the United States, the Takeover Offer will be made in compliance with applicable United States laws and regulations, including, without limitation and to the extent applicable, under section 14(e) of the US Exchange Act and Regulation 14E thereunder, as well as the US Securities Act of 1933, as amended.

Financial statements, and all financial information that is included in this Announcement or that may be included in the Scheme Document, or any other documents relating to the Acquisition, have been or will be prepared in accordance with International Financial Reporting Standards or other reporting standards or accounting practice which may not be comparable to financial statements of companies in the United States or other companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

The receipt of cash by a US holder of TClarke Shares as consideration for the transfer of its Scheme Shares pursuant to the Scheme may be a taxable transaction for United States federal income tax purposes and under applicable United States state and local, as well as foreign and other, tax laws. Each TClarke Shareholder (including US holders) is urged to consult its independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to them.

It may be difficult for US holders of TClarke Shares to enforce their rights and claims arising out of the US federal securities laws, since Regent and TClarke are located in countries other than the United States, and some of their officers and directors may be residents of countries other than the United States. US holders of TClarke Shares may have difficulty effecting service of process within the United States upon those persons or recovering against judgments of US courts, including judgments based upon the civil liability provisions of the US federal securities laws. US holders of TClarke Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court’s judgement.

In accordance with normal UK practice and consistent with Rule 14e-5(b) of the US Exchange Act, Regent, certain affiliated companies and their nominees or brokers (acting as agents) may make certain purchases of, or arrangements to purchase, shares in TClarke outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition and/or Scheme becomes Effective in accordance with its terms, lapses or is otherwise withdrawn. If such purchases or arrangements to purchase were to be made, they would be made outside the United States and would comply with applicable law, including the US Exchange Act. These purchases could occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases or arrangements to purchase will be disclosed as required in the UK, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com.

This Announcement does not constitute or form a part of any offer to sell or issue, or any solicitation of any offer to purchase, subscribe for or otherwise acquire, any securities in the United States.

Neither the US Securities and Exchange Commission nor any securities commission of any state or other jurisdiction of the United States has approved the Acquisition, passed upon the fairness of the Acquisition, or passed upon the adequacy or accuracy of this Announcement. Any representation to the contrary is a criminal offence in the United States.

Forward-looking statements

This Announcement (including information incorporated by reference in this Announcement), oral statements made regarding the Acquisition, and other information published by TClarke and Regent may contain certain statements which are, or may be deemed to be, “forward-looking statements”. These forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of the management of TClarke and/or Regent (as the case may be) about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements.

These forward-looking statements can be identified by the fact that they do not relate only to historical or current facts. Forward-looking statements often use words such as “anticipate”, “target”, “expect”, “estimate”, “intend”, “plan”, “goal”, “believe”, “will”, “may”, “should”, “would”, “could” or other words or terms of similar meaning or the negative thereof.

These statements are based on assumptions and assessments made by Regent and/or TClarke in light of their experience and their perception of historical trends, current conditions, future developments and other factors they believe appropriate. By their nature, forward-looking statements involve known and unknown risk and uncertainty, because they relate to events and depend on circumstances that will occur in the future and the factors described in the context of such forward-looking statements in this Announcement could cause actual results, performance or developments to differ materially from those expressed in or implied by such forward-looking statements. The factors that could cause actual results to differ materially from those described in the forward-looking statements, include, but are not limited to: the ability to complete the Acquisition, the ability to obtain requisite regulatory and shareholder approvals and the satisfaction of other Conditions on the proposed terms, changes in the global, political, economic, business or competitive environments and in market and regulatory forces, changes in financial regulatory matters, changes in future exchange and interest rates, changes in tax rates and future business combinations or dispositions. Although it is believed that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct and you are therefore cautioned not to place undue reliance on these forward-looking statements which speak only as at the date of this Announcement. Neither Regent nor TClarke assumes any obligation to update or correct the information contained in this Announcement (whether as a result of new information, future events or otherwise), except as required by applicable law. All subsequent oral or written forward-looking statements attributable to Regent or TClarke or any person acting on their behalf are expressly qualified in their entirety by the cautionary statement above. Should one or more of these risks or uncertainties materialise, or should underlying assumptions prove incorrect, actual results may vary materially from those described in this Announcement. Other than in accordance with their legal or regulatory obligations, neither Regent nor TClarke assume any obligation to update publicly or revise forward-looking or other statements contained in this Announcement, whether as a result of new information, future events or otherwise, except to the extent legally required.

No profit forecasts or estimates

No statement in this Announcement is intended to constitute a profit forecast, profit estimate or quantified benefits statement for any period and no statement in this Announcement should be interpreted to mean that the earnings or earnings per share for TClarke for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share for TClarke.

Right to switch to a Takeover Offer

Regent reserves the right to elect to implement the Acquisition by way of a Takeover Offer for the entire issued and to be issued share capital of TClarke not already held by a member of the Wider Regent Group as an alternative to the Scheme (subject to the Takeover Panel’s consent and the terms of the Co-operation Agreement). In such an event, the Takeover Offer will be implemented on substantially the same terms, so far as applicable, as those which would apply to the Scheme.

If the Acquisition is effected by way of Takeover Offer, and such Takeover Offer becomes or is declared unconditional and sufficient acceptances are received, Regent intends to exercise its rights to apply the

provisions of Chapter 3 of Part 28 of the Companies Act so as to acquire compulsorily the remaining TClarke Shares in respect of which the Takeover Offer has not been accepted.

Dealing and Opening Position Disclosure Requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in 1% or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified.

An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3:30 p.m. (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3:30 p.m. (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the

relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1% or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3:30 p.m. (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Takeover Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Takeover Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

RECOMMENDED CASH ACQUISITION

OF

TCLARKE PLC

BY

REGENT ACQUISITIONS LIMITED

**to be effected by means of a scheme of arrangement
under Part 26 of the Companies Act 2006**

1. **Introduction**

The boards of directors of Regent and TClarke are pleased to announce that they have reached agreement on the terms and conditions of a recommended cash offer by Regent for the entire issued and to be issued share capital of TClarke not already held by any member of the Wider Regent Group (the "Acquisition").

It is intended that the Acquisition will be implemented by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (although Regent reserves the right to effect the Acquisition by way of a Takeover Offer, subject to the consent of the Takeover Panel and the terms of the Co-operation Agreement).

2. **The Acquisition**

Under the terms of the Acquisition, each TClarke Shareholder (other than any member of the Wider Regent Group) will be entitled to receive:

for each TClarke Share:

160 pence in cash (the "Consideration")

and

a final dividend of 4.525 pence for TClarke's financial year ended 31 December 2023 (the "Permitted Dividend")

TClarke announced the Permitted Dividend on 15 March 2024 and TClarke Shareholders on TClarke's register of members at the relevant record date will be entitled to receive and retain the Permitted Dividend regardless of whether the Acquisition becomes Effective (and without any reduction to the Consideration if the Acquisition does become Effective). Subject to approval at the TClarke AGM, the Permitted Dividend is due to be paid on 7 June 2024 (earlier than the previously announced payment date of 14 June 2024 (as separately announced by TClarke today)).

The Consideration values the entire issued and to be issued share capital of TClarke at approximately £90.56 million.

The Consideration represents a premium of approximately:

- 28.00 per cent. to the Closing Price of 125.00 pence per TClarke Share on 15 April 2024 (being the last Business Day before the commencement of the Offer Period);
- 27.22 per cent. to the Volume Weighted Average Price of 125.77 pence per TClarke Share during the three-month period ended 15 April 2024 (being the last Business Day before the commencement of the Offer Period);
- 27.81 per cent. to the Volume Weighted Average Price of 125.18 pence per TClarke Share during the six-month period ended 15 April 2024 (being the last Business Day before the commencement of the Offer Period); and
- 31.1 per cent. to the placing price of 122 pence per TClarke Share, the price at which TClarke's secondary fundraising, announced on 6 July 2023, was completed.

Except for the Permitted Dividend, if on or after the date of this Announcement and before the Effective Date, any dividend, distribution or other return of capital is announced, declared, made or paid or becomes payable in respect of TClarke Shares, Regent reserves the right to reduce the Consideration that would be payable for the TClarke Shares pursuant to the Acquisition by an amount up to the amount of such dividend and/or distribution and/or other return of capital, in which case any reference in this Announcement to the Consideration will be deemed to be a reference to the consideration as so reduced. In such circumstances, TClarke Shareholders would be entitled to retain any such dividend, distribution or other return of capital to which they are entitled.

The TClarke Shares will be acquired by Regent with full title guarantee, fully paid and free from all liens, equitable interests, charges, encumbrances, rights of pre-emption and any other third party rights or interests whatsoever and together with all rights existing at the date of this Announcement or thereafter attaching thereto, including (without limitation) the right to receive and retain, in full, all dividends and other distributions (if any) declared, made or paid or any other return of capital (whether by way of reduction of share capital or share premium account or otherwise) made on or after the Effective Date in respect of the TClarke Shares, save for the Permitted Dividend.

3. **Recommendation**

The TClarke Directors, who have been so advised by Cavendish as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its advice to the TClarke Directors, Cavendish has taken into account the commercial assessments of the TClarke Directors. Cavendish is providing independent financial advice to the TClarke Directors for the purposes of Rule 3 of the Code.

Accordingly, the TClarke Directors intend to recommend unanimously that TClarke Shareholders vote or procure votes in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting (or, subject to the consent of the Takeover Panel and the terms of the Co-operation Agreement, if Regent exercises its right to implement the Acquisition by way of a Takeover Offer, to accept or procure acceptance of such offer), as the TClarke Directors who hold TClarke Shares have irrevocably undertaken to do, or procure to be done, in respect of their own beneficial holdings (and the beneficial holdings of their close relatives and related trusts), being, in aggregate, 1,781,649 TClarke Shares (representing approximately 3.37 per cent. of the existing issued ordinary share capital of TClarke as at 15 April 2024 (being the last Business Day prior to the date of this Announcement)).

Further details of these irrevocable undertakings are set out below and in Appendix 3 to this Announcement.

4. **Background to and reasons for the Recommendation**

The TClarke Directors believe that TClarke's recognised and strong brand, built upon through a reputation for high quality engineering, reliability and on time delivery, stands as the basis for TClarke's continued sustainable growth. The TClarke Directors remain confident in both TClarke's ability to succeed as an independent business and the further opportunities for growth in the UK.

Notwithstanding the opportunities to accelerate this growth, the TClarke Directors are conscious of the need to balance this against the uncertainties and risks that exist for the business in the short and medium term. TClarke is not immune to the highly unstable national and international political outlook together with a volatile economic backdrop, all of which have impacted UK economic conditions and UK consumer confidence as well as having led to significant inflation in certain input costs.

In addition, the TClarke Directors realise that the TClarke Shares have consistently traded at a discounted valuation multiple to its core peers in the public markets. Further, the TClarke Directors recognise that the market for the TClarke Shares is relatively illiquid, making it challenging for TClarke Shareholders to monetise their holdings in TClarke should they so wish.

The TClarke Directors also believe that, in light of the opportunities, risks and historical trading of the TClarke share price, the offer from Regent of 160 pence per TClarke Share in cash presents an opportunity for TClarke Shareholders to accelerate the crystallisation of a certain value from their investment at an attractive premium, de-risks the return of value and allows full liquidity of their investment in TClarke.

The Acquisition provides an opportunity for TClarke Shareholders to achieve an attractive premium to the current share price. The Consideration represents a premium of approximately:

- 28.00 per cent. to the Closing Price of 125.00 pence per TClarke Share on 15 April 2024 (being the last Business Day before the commencement of the Offer Period);
- 27.22 per cent. to the Volume Weighted Average Price of 125.77 pence per TClarke Share during the three-month period ended 15 April 2024 (being the last Business Day before the commencement of the Offer Period);
- 27.81 per cent. to the Volume Weighted Average Price of 125.18 pence per TClarke Share during the six-month period ended 15 April 2024 (being the last Business Day before the commencement of the Offer Period); and
- 31.1 per cent. to the placing price of 122 pence per TClarke Share, the price at which TClarke's secondary fundraising, announced on 6 July 2023, was completed.

The Consideration values TClarke's entire issued and to be issued share capital at approximately £90.56 million on a fully diluted basis, and implies a multiple of approximately 11.64 times TClarke's EPS for the twelve months ended 31 December 2023.

In addition to the financial terms of the Acquisition, in considering the intention to recommend the Acquisition, the TClarke Directors have also given due consideration to the assurances given by Regent as to its intentions with respect to the future operation of the business, including Regent's intentions to seek to continue growing the business in the UK, and the importance placed by Regent on the existing employees of TClarke.

The TClarke Directors, who have been so advised by Cavendish as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its advice, Cavendish has taken into account the commercial assessments of the TClarke Directors. Cavendish is providing independent financial advice to the TClarke Directors for the purposes of Rule 3 of the Code.

Accordingly, the TClarke Directors intend to recommend unanimously that TClarke Shareholders vote or procure votes in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General

Meeting (or, subject to the consent of the Takeover Panel and the terms of the Co-operation Agreement, if Regent exercises its right to implement the Acquisition by way of a Takeover Offer, to accept or procure acceptance of such offer), as the TClarke Directors who hold TClarke Shares have irrevocably undertaken to do, or procure to be done, in respect of their own beneficial holdings (and the beneficial holdings of their close relatives and related trusts), being, in aggregate, 1,781,649 TClarke Shares (representing approximately 3.37 per cent. of the existing issued ordinary share capital of TClarke as at 15 April 2024 (being the last Business Day prior to the date of this Announcement)).

5. **Background to and reasons for the Acquisition**

The original business of the TClarke Group was founded in 1889 and provided 'wires encased in fire-proof materials' that enabled the electrification for royal palaces including Windsor Castle and St James' Palace. Since then it has developed its product offering across a range of services and sectors to include modern methods of construction, smart buildings and alternative energy solutions. It is now viewed nationally as the contractor of choice for building services across the UK and has a demonstrable track record of delivering growth. This is testament to the leadership of the TClarke Board, the Executives of which will continue to lead TClarke following the Acquisition.

Regent has long admired TClarke's reputation, heritage and its talented pool of employees. Regent knows TClarke well and has closely followed it since it first acquired shares in May 2018. The Acquisition follows Regent's strategy to focus on areas of structural growth where it aims to obtain a greater presence in attractive segments such as those operated in by TClarke.

6. **Information relating to Regent and the Wider Regent Group**

The Wider Regent Group, which was established in 1995, is a leading supplier of gas and metering services to industrial and commercial customers in the UK. The Wider Regent Group provides services to large consumers of gas across a range of sectors including, leisure, care homes, manufacturing, food production and retail.

Regent is a company registered in England and has been incorporated since 5 April 2018. It is wholly-owned by Deep Valecha.

7. **Information relating to TClarke**

TClarke was incorporated in England and Wales on 23 December 1911 as a public company limited by shares with the name TClarke Public Limited Company and with registered number 00119351. Its ordinary shares were admitted to the Official List and to trading on the Main Market of the London Stock Exchange on 8 September 1949.

TClarke remains at the forefront of building services. Innovation and expertise are employed in the design, installation, integration and maintenance of the mechanical and electrical systems and technologies that a 21st century building needs for control, performance and sustainability. TClarke currently operates from nineteen locations serving the whole of the UK and employs a strategy of pursuing organic growth through five core market sectors, including engineering services, technology, infrastructure, residential and hotels, and facilities management.

TClarke's services encompass the full project lifecycle, from initial design and planning through to installation, commissioning, and ongoing maintenance. With a focus on safety, quality, and reliability, TClarke has completed numerous landmark projects, ranging from iconic skyscrapers and mixed-use developments to critical infrastructure upgrades and renovation projects. TClarke's skilled workforce, technical capabilities, and collaborative approach have made it a trusted partner for delivering complex building services solutions.

In its latest financial year to 31 December 2023, TClarke reported unaudited total revenue of £491 million (2022: £426 million) and a profit after taxation of £6.5 million (2022: £8.4 million).

Further financial and other information on TClarke will be set out in the Scheme Document.

TClarke's issued share capital comprises 52,850,780 ordinary shares which, based on the Closing Price of a TClarke Share of 125.00 pence on 15 April 2024 (being the last Business Day prior to the date of this Announcement), equates to a market capitalisation of approximately £66.06 million.

8. **Strategic plans with regard to the business, directors, management, employees, pensions and locations of the TClarke Group**

As set out in paragraph 5 above, Regent has long admired TClarke's reputation, heritage and its talented pool of employees, and believes that the experienced management team has a clear vision and growth strategy for the future direction of TClarke. However, Regent believes that to fully deliver on this potential, now is the optimal time for TClarke to re-enter private ownership.

Prior to the date of this Announcement, as is customary, Regent has been granted access to TClarke's senior management team for the purpose of undertaking confirmatory due diligence.

Research and development

TClarke has no dedicated research and development function.

Employees and management

Regent attaches great importance to the skills and experience of TClarke's employees, including its management team. Regent confirms that, following the Scheme becoming Effective, the existing contractual and statutory employment rights of TClarke's management and employees will be fully safeguarded in accordance with applicable law.

Following the Scheme becoming Effective, Regent does not intend to make any headcount reductions as a result of the Acquisition. Regent does not intend to make any material change in the balance of skills and functions of the employees and management of the TClarke Group as a result of the Acquisition, but will support the Executives in their continuous review of their operations of the TClarke Group to ensure efficiency in the ordinary course of business.

Following completion of the Acquisition, it is intended that TClarke will continue to be led by its existing Executives. It is further intended that Deep Valecha, CEO of Regent, will join the TClarke Board as a non-executive director. The current Non-Executive Directors will cease to be directors of TClarke with effect from the Scheme becoming Effective.

Existing rights and pensions

Regent does not currently intend to make any changes to the eligibility rules or contribution rates that currently apply under TClarke's defined contribution pension plans and intends to comply with all applicable law in this regard. TClarke does operate a defined benefit pension scheme which is closed to new members but remains open to future accrual for a small number of employees (the "DB Scheme"). Regent's intention is for employer contributions to the DB Scheme and current arrangements for the accrual of benefits to continue in line with current requirements, and it intends to work constructively with the trustees of the DB Scheme going forward.

Incentive arrangements

Regent believes that the ongoing incentivisation of senior management of the TClarke Group is very important to its future success. However, Regent has not entered into, has not had discussions on proposals to enter into, any form of incentivisation arrangements with members of TClarke's management and will not do so prior to the Scheme becoming Effective. Regent intends to put in place incentive arrangements for certain members of the TClarke management team following the Effective Date.

Headquarters, locations, fixed assets

Regent has no intention of closing any of TClarke's existing offices. Regent has no intentions to redeploy the fixed assets of TClarke at this time.

Trading Facilities

TClarke Shares are currently admitted to trading on the Main Market of the London Stock Exchange. As set out in paragraph 14, an application will be made to the London Stock Exchange to cancel the admission to trading of the TClarke Shares on the Main Market on or shortly after the Effective Date. Regent intends to re-register TClarke as a private company after the Effective Date.

Intentions for the Future of Regent

There will be no changes to Regent's employees and management, including no material changes in the conditions or balance of skills and functions of Regent Acquisitions Limited.

There will be no changes to Regent's strategic plans (other than as set out in paragraph 5 above). There will be no likely repercussions on employment, places of business and headquarters / headquarter functions.

Statements

No statements in this paragraph 8 constitute "post-offer undertakings" for the purposes of Rule 19.5 of the Takeover Code.

9. Financing of the Acquisition

The Consideration payable by Regent pursuant to the Acquisition will be funded from existing cash resources available to Regent Gas Holdings Limited ("RGHL") and Regent Gas Limited ("RGL") and transferred to Regent pursuant to inter-company loans between RGHL and RGL, and RGHL and Regent. SPARK, in its capacity as financial adviser to Regent, is satisfied that sufficient resources are available to Regent to satisfy in full the Consideration payable to TClarke Shareholders pursuant to the terms of the Acquisition.

10. Offer-related arrangements

Confidentiality Agreement

Regent and TClarke entered into a confidentiality agreement dated 15 March 2024 (the "Confidentiality Agreement") pursuant to which Regent has undertaken to: (a) keep confidential information relating to, *inter alia*, the Acquisition and TClarke and not to disclose it to third parties (other than to certain permitted parties), unless required by law or regulation; and (b) use the confidential information only in connection with evaluation of the Acquisition, unless required by law or regulation. These confidentiality obligations shall remain in force for a period of one year from the date of the Confidentiality Agreement.

The Confidentiality Agreement also includes customary non-solicitation obligations on Regent, subject to customary carve-outs, for a period of 12 months from the date of the Confidentiality Agreement and a standstill provision in favour of TClarke which ceases to apply upon release of this Announcement.

Co-operation Agreement

Pursuant to a co-operation agreement dated 16 April 2024 (the "Co-operation Agreement"): (a) TClarke has agreed to co-operate with Regent to assist with the obtaining of regulatory clearances and the making of all filings as may be necessary, from or under the law, regulations or practices applied by any applicable regulatory authority in connection with the Acquisition; (b) Regent has agreed to provide TClarke with certain information for the purposes of the Scheme Document and to otherwise assist with the preparation of the Scheme Document; (c) Regent has agreed to certain provisions if the Scheme should switch to a Takeover

Offer; and (d) Regent and TClarke have agreed to certain arrangements in respect of the TClarke Share Plans.

The Co-operation Agreement will terminate, amongst other things:

- a) if the Acquisition is withdrawn or lapses;
- b) if, prior to the Long Stop Date, any Condition, which has not been waived, becomes incapable of satisfaction;
- c) at Regent's election if:
 - the TClarke Directors withdraw, adversely modify or adversely qualify their recommendation of the Acquisition;
 - the TClarke Directors recommend a competing proposal or one is effected;
 - the Scheme Document is not posted within 28 days of this Announcement (other than in circumstances caused by an unavoidable delay); or
 - a Condition is invoked by Regent prior to the Long Stop Date;
- d) if the Scheme does not become Effective in accordance with its terms by the Long Stop Date; or
- e) otherwise as agreed in writing between Regent and TClarke.

11. **Disclosure of interests in TClarke**

As at the close of business on 15 April 2024, being the last Business Day prior to the date of this Announcement, save for the irrevocable undertakings referred to in paragraph 4 above and the Excluded Shares, neither Regent nor, so far as Regent is aware, any person acting, or deemed to be acting, in concert with Regent:

- a) has an interest in, or right to subscribe for, relevant securities of TClarke;
- b) has any short position in respect of relevant securities of TClarke (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery;
- c) has borrowed or lent any relevant securities of TClarke or entered into any financial collateral arrangements relating to relevant securities of TClarke; or
- d) is a party to any dealing arrangement of the kind referred to in Note 11 on the definition of acting in concert in the Code in relation to relevant securities of TClarke.

An "interest in" securities for these purposes arises, in summary, when a person has long economic exposure, whether absolute or conditional, to changes in the price of securities (and a person who only has a short position in securities is not treated as interested in those securities). In particular, a person will be treated as having an 'interest' by virtue of the ownership, voting rights or control of securities, or by virtue of any agreement to purchase, option in respect of, or derivative referenced to securities.

12. **The Scheme**

It is intended that the Acquisition will be implemented by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (although Regent reserves the right to effect the Acquisition by way of a Takeover Offer, subject to the consent of the Takeover Panel and the terms of the Co-operation Agreement).

The purpose of the Scheme is to provide for Regent to become the owner of the entire issued and to be issued share capital of TClarke (other than the Excluded Shares). Under the Scheme, the Acquisition is to be achieved by the transfer of the Scheme Shares held by Scheme Shareholders to Regent in consideration for which the Scheme Shareholders will receive the Consideration.

The Acquisition will be subject to the Conditions and further terms and conditions referred to in Appendix 1 to this Announcement and to be set out in the Scheme Document. Subject, amongst other things, to the satisfaction (or, where applicable, waiver) of the Conditions, the Scheme will only become Effective if, amongst other things, the following events occur on or before the Long Stop Date:

- a) the approval by a majority in number of the Scheme Shareholders, present and voting (and entitled to vote) at the Court Meeting, whether in person or by proxy, representing 75 per cent. or more in value of the Scheme Shares held by those Scheme Shareholders; and
- b) the approval of the Resolutions at the General Meeting by TClarke Shareholders by the requisite majorities (it is intended that the General Meeting will be held directly after the Court Meeting);
- c) certain regulatory approvals as described in Appendix 1 to this Announcement (including from the Secretary of State pursuant to the NSI Act) are obtained or waived, as applicable;
- d) following the Meetings, the Scheme is sanctioned by the Court (with or without modification, and, if with modification, on terms agreed by Regent and TClarke); and
- e) following such sanction, a copy of the Court Order is delivered to the Registrar of Companies.

Upon the Scheme becoming Effective, it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted at the Meetings (and if they attended and voted, whether or not they voted in favour of the Scheme) and the Consideration will be despatched by Regent to Scheme Shareholders no later than 14 days after the Effective Date. In addition, share certificates in respect of TClarke Shares will cease to be valid and entitlements to TClarke Shares held within the CREST system will be cancelled.

The Scheme Document will include full details of the Scheme, together with the notices convening the Court Meeting and the General Meeting. The Scheme Document will also contain the expected timetable for the Acquisition, and will specify the actions to be taken by TClarke Shareholders.

Subject to restrictions in respect of Restricted Jurisdictions, the Scheme Document, along with the notices of the Court Meeting and the General Meeting and the Forms of Proxy will be sent to TClarke Shareholders and, for information only, to persons with information rights and holders of options and/or awards granted under the TClarke Share Plans, as soon as reasonably practicable, and in any event (save with the consent of the Takeover Panel) within 28 days of the date of this Announcement.

At this stage, subject to the satisfaction or, if applicable, waiver of the Conditions and certain further terms set out in Appendix 1 to this Announcement, the Scheme is expected to become Effective at the end of the second quarter or early in the third quarter of 2024. If the Scheme does not become Effective on or before the Long Stop Date (or such later date as Regent and TClarke may, with the consent of the Takeover Panel and, if required, the Court, agree) it will lapse and the Acquisition will not proceed (unless Regent and TClarke otherwise agree and the Takeover Panel otherwise consents).

As set out in further detail in the Condition in paragraph 2 of Appendix 1 to this Announcement, the Scheme will also lapse if, amongst other things, any of the Court Meeting, the General Meeting and/or the Sanction Hearing is not held on or before the 22nd day after the expected date of such meetings to be set out in the Scheme Document in due course (or such later date as may be: (i) agreed between Regent and TClarke; or (ii) (in a competitive situation) specified by Regent with the consent of the Takeover Panel, and in either case (if required) as the Court may allow).

Any TClarke Shares issued before the Scheme Record Time which remain in issue at the Scheme Record Time will be subject to the terms of the Scheme. The Resolutions to be proposed at the General Meeting will,

amongst other things, provide that TClarke's articles of association be amended to incorporate provisions requiring, among other things and subject to the Scheme becoming Effective, any TClarke Shares issued or transferred after the Scheme Record Time (other than to Regent and/or its nominees) to be automatically transferred to Regent (or as Regent may direct) on the same terms as the Acquisition (other than terms as to timings and formalities). The provisions of TClarke's articles of association (as amended) will avoid any person (other than Regent, its nominees and any person to whom Regent may direct the transfer of TClarke Shares after the Effective Date) holding and retaining TClarke Shares after the Effective Date.

Regent reserves the right to elect to implement the Acquisition by way of a Takeover Offer for the entire issued and to be issued share capital of TClarke not already held by a member of the Wider Regent Group as an alternative to the Scheme (subject to the Takeover Panel's consent and the terms of the Co-operation Agreement). In such an event, the Takeover Offer will be implemented on substantially the same terms, so far as applicable, as those which would apply to the Scheme, subject to appropriate amendments to reflect, among other things, the change in method of effecting the Acquisition (including, without limitation: (i) the inclusion of an acceptance condition set at 90 per cent. of the TClarke Shares to which such Takeover Offer relates (or such other percentage as Regent may, subject to the rules of the Takeover Code and the terms of the Co-operation Agreement and with the consent of the Takeover Panel, decide); and (ii) those required under applicable law, including US securities law, or any amendments necessary to reflect the Takeover Code). Further, if sufficient acceptances of such Takeover Offer are received and/or sufficient TClarke Shares are otherwise acquired, it is the intention of Regent to apply the provisions of the Companies Act to acquire compulsorily any outstanding TClarke Shares to which such offer relates.

The Scheme will be governed by English law. The Scheme will be subject to the applicable requirements of the Code, the Takeover Panel, the Listing Rules, the London Stock Exchange and the FCA.

13. **TClarke's Share Plans**

Participants in the TClarke Share Plans will be contacted regarding the effect of the Acquisition on their rights under the TClarke Share Plans and, where relevant, an appropriate proposal will be made to such participants pursuant to Rule 15 of the Code in due course. Further details of the impact of the Acquisition on the TClarke Share Plans will be set out in the Scheme Document and in separate letters to be sent to participants in the TClarke Share Plans.

14. **De-listing and re-registration**

Prior to the Scheme becoming Effective, it is intended that an application will be made to the FCA and the London Stock Exchange to, subject to the Acquisition becoming Effective, cancel the listing of TClarke Shares on the Official List and the trading of TClarke Shares on the London Stock Exchange respectively, with effect from or shortly following the Effective Date.

The last day of dealings in, and registration of transfers of, TClarke Shares on the London Stock Exchange is expected to be the Business Day immediately prior to the Effective Date and no transfers will be registered after 6.00 p.m. on that date.

Upon the Scheme becoming Effective, share certificates in respect of the TClarke Shares will cease to be valid and should be destroyed. In addition, entitlements to TClarke Shares held within the CREST system will be cancelled on the Effective Date.

As soon as practicable after the Effective Date, it is intended that TClarke will be re-registered as a private limited company under the relevant provisions of the Companies Act.

Notice to US investors in TClarke

The Acquisition relates to the securities of an English company and is proposed to be effected by means of a scheme of arrangement under English law. This Announcement, the Scheme Document and certain other documents relating to the Acquisition have been or will be prepared in accordance with English law, the Code and UK disclosure requirements, format and style, all of which differ from those in the United States. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Securities Exchange Act of 1934, as amended (the “US Exchange Act”). Accordingly, the Acquisition is subject to the procedural and disclosure requirements of and practices applicable in the UK to schemes of arrangement, which differ from the procedural and disclosure requirements of the United States tender offer and proxy solicitation rules. However, if Regent elects to implement the Acquisition by way of a Takeover Offer and determines to extend the offer into the United States, the Takeover Offer will be made in compliance with applicable United States laws and regulations, including, without limitation and to the extent applicable, under section 14(e) of the US Exchange Act and Regulation 14E thereunder, as well as the US Securities Act of 1933, as amended.

Financial statements, and all financial information that is included in this Announcement or that may be included in the Scheme Document, or any other documents relating to the Acquisition, have been or will be prepared in accordance with International Financial Reporting Standards or other reporting standards or accounting practice which may not be comparable to financial statements of companies in the United States or other companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

The receipt of cash by a US holder of TClarke Shares as consideration for the transfer of its Scheme Shares pursuant to the Scheme may be a taxable transaction for United States federal income tax purposes and under applicable United States state and local, as well as foreign and other, tax laws. Each TClarke Shareholder (including US holders) is urged to consult its independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to them.

It may be difficult for US holders of TClarke Shares to enforce their rights and claims arising out of the US federal securities laws, since Regent and TClarke are located in countries other than the United States, and

some of their officers and directors may be residents of countries other than the United States. US holders of TClarke Shares may have difficulty effecting service of process within the United States upon those persons or recovering against judgments of US courts, including judgments based upon the civil liability provisions of the US federal securities laws. US holders of TClarke Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

In accordance with normal UK practice and consistent with Rule 14e-5(b) of the US Exchange Act, Regent, certain affiliated companies and their nominees or brokers (acting as agents) may make certain purchases of, or arrangements to purchase, shares in TClarke outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition and/or Scheme becomes Effective in accordance with its terms, lapses or is otherwise withdrawn. If such purchases or arrangements to purchase were to be made, they would be made outside the United States and would comply with applicable law, including the US Exchange Act. These purchases could occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases or arrangements to purchase will be disclosed as required in the UK, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com.

This Announcement does not constitute or form a part of any offer to sell or issue, or any solicitation of any offer to purchase, subscribe for or otherwise acquire, any securities in the United States.

Neither the US Securities and Exchange Commission nor any securities commission of any state or other jurisdiction of the United States has approved the Acquisition, passed upon the fairness of the Acquisition, or passed upon the adequacy or accuracy of this Announcement. Any representation to the contrary is a criminal offence in the United States.

Forward-looking statements

This Announcement (including information incorporated by reference in this Announcement), oral statements made regarding the Acquisition, and other information published by TClarke and Regent may contain certain statements which are, or may be deemed to be, "forward-looking statements". These forward-looking statements are prospective in nature and are not based historical facts, but rather on current expectations and projections of the management of TClarke and/or Regent (as the case may be) about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements.

These forward-looking statements can be identified by the fact that they do not relate only to historical or current facts. Forward-looking statements often use words such as "anticipate", "target", "expect", "estimate", "intend", "plan", "goal", "believe", "will", "may", "should", "would", "could" or other words or terms of similar meaning or the negative thereof.

These statements are based on assumptions and assessments made by Regent and/or TClarke in light of their experience and their perception of historical trends, current conditions, future developments and other factors they believe appropriate. By their nature, forward-looking statements involve known and unknown risk and uncertainty, because they relate to events and depend on circumstances that will occur in the future and the factors described in the context of such forward-looking statements in this Announcement could cause actual results, performance or developments to differ materially from those expressed in or implied by such forward-looking statements. The factors that could cause actual results to differ materially from those described in the forward-looking statements, include, but are not limited to: the ability to complete the Acquisition, the ability to obtain requisite regulatory and shareholder approvals and the satisfaction of other Conditions on the proposed terms, changes in the global, political, economic, business or competitive environments and in market and regulatory forces, changes in financial regulatory matters, changes in future exchange and interest rates, changes in tax rates and future business combinations or dispositions. Although it is believed that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct and you are therefore cautioned not to place undue reliance on these forward-looking statements which speak only as at the date of this Announcement. Neither Regent nor TClarke assumes any obligation to update or correct the information contained in this Announcement (whether as a result of new information, future events or otherwise), except

as required by applicable law. All subsequent oral or written forward-looking statements attributable to Regent or TClarke or any person acting on their behalf are expressly qualified in their entirety by the cautionary statement above. Should one or more of these risks or uncertainties materialise, or should underlying assumptions prove incorrect, actual results may vary materially from those described in this Announcement. Other than in accordance with their legal or regulatory obligations, neither Regent nor TClarke assume any obligation to update publicly or revise forward-looking or other statements contained in this Announcement, whether as a result of new information, future events or otherwise, except to the extent legally required.

No profit forecasts or estimates

No statement in this Announcement is intended to constitute a profit forecast, profit estimate or quantified benefits statement for any period and no statement in this Announcement should be interpreted to mean that the earnings or earnings per share for TClarke for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share for TClarke.

Right to switch to a Takeover Offer

Regent reserves the right to elect to implement the Acquisition by way of a Takeover Offer for the entire issued and to be issued share capital of TClarke not already held by a member of the Wider Regent Group as an alternative to the Scheme (subject to the Takeover Panel's consent and the terms of the Co-operation Agreement). In such an event, the Takeover Offer will be implemented on substantially the same terms, so far as applicable, as those which would apply to the Scheme.

If the Acquisition is effected by way of Takeover Offer, and such Takeover Offer becomes or is declared unconditional and sufficient acceptances are received, Regent intends to exercise its rights to apply the provisions of Chapter 3 of Part 28 of the Companies Act so as to acquire compulsorily the remaining TClarke Shares in respect of which the Takeover Offer has not been accepted.

Dealing and Opening Position Disclosure Requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in 1% or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified.

An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3:30 p.m. (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3:30 p.m. (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1% or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3:30 p.m. (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Takeover Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Takeover Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

Part B : WAIVER AND INVOCATION OF THE CONDITIONS

1. Subject to the requirements of the Takeover Panel and the Takeover Code, Regent reserves the right in its sole discretion to waive:
 - (A) any of the deadlines set out in paragraph 2 of Part A of this Appendix 1 for the timing of the Court Meeting, the General Meeting and the Sanction Hearing. If any such deadline is not met, Regent shall make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether it has invoked or waived the relevant Condition or agreed with TClarke (or, as the case may be, the Takeover Panel) to extend the deadline in relation to the relevant Condition; and
 - (B) in whole or in part, all or any of the Conditions set out in paragraphs 3(A) to 3(J) (inclusive) of Part A of this Appendix 1. For the avoidance of doubt, Regent may not waive the Conditions set out in paragraphs 1, 2(A)(i), 2(B)(i) and 2(C)(i) of Part A of this Appendix 1.
2. The Conditions in paragraphs 2(A), 2(B) and 3 of Part A of this Appendix 1 must each be satisfied or (if capable of waiver) be waived by Regent by no later than 11.59 p.m. on the date immediately preceding the date of the Sanction Hearing. Regent shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as satisfied any of Conditions set out in paragraphs 3(A) to 3(J) (inclusive) of Part A of this Appendix 1 that it is entitled (with the consent of the Takeover Panel and subject to the requirements of the Code) to invoke, by a date earlier than the latest date specified above for the fulfilment or waiver thereof, notwithstanding that the other Conditions may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any such Conditions may not be capable of fulfilment.
3. Under Rule 13.5(a) of the Code, Regent may not invoke a Condition so as to cause the Acquisition not to proceed, to lapse or to be withdrawn unless the circumstances which give rise to the right to invoke the Condition are of material significance to Regent in the context of the Acquisition. The Conditions in paragraph 1, 2(A), 2(B), 2(C), 2(D) of Part A of this Appendix 1, and if applicable, any acceptance condition if the Acquisition is implemented by means of a Takeover Offer, are not subject to Rule 13.5(a) of the Code. Regent may only invoke a Condition that is subject to Rule 13.5(a) with the consent of the Takeover Panel and any Condition that is subject to Rule 13.5(a) may be waived by Regent.
4. If Regent is required by the Takeover Panel to make an offer for TClarke Shares under the provisions of Rule 9 of the Code, Regent may make such alterations to the Conditions and the terms of the Acquisition as are necessary to comply with the provisions of Rule 9.
5. Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.

Part C : IMPLEMENTATION BY WAY OF A TAKEOVER OFFER

Regent reserves the right to elect to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme (subject to the Takeover Panel's consent (where necessary) and the terms of the Co-operation Agreement). In such an event, the Acquisition will be implemented on the same terms and conditions (subject to appropriate amendments including (without limitation) the inclusion of an acceptance condition set at 90 per cent. of the TClarke Shares to which such Takeover Offer relates (or such lesser percentage as Regent and TClarke may, subject to the rules of the Code and the terms of the Co-operation Agreement and with the consent of the Takeover Panel, decide, being in any case more than 50 per cent. of the TClarke Shares), or any amendments required under applicable law, including US securities law, or any amendments necessary to reflect the Takeover Offer) as those that would apply to the Scheme. Further, if sufficient acceptances of such Takeover Offer are received and/or sufficient TClarke Shares are otherwise acquired, it is the intention of Regent to apply the provisions of the Companies Act to acquire compulsorily any outstanding TClarke Shares to which such Takeover Offer relates.

Part D : CERTAIN FURTHER TERMS OF THE ACQUISITION

1. The TClarke Shares which will be acquired pursuant to the Acquisition will be acquired fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature whatsoever and together with all rights now or hereafter attaching or accruing to them, including voting rights and the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid or any other return of capital or value (whether by reduction of share capital or share premium account or otherwise) by reference to a record date after the Effective Date, save for the Permitted Dividend.
2. If, on or after the date of this Announcement and before the Effective Date, other than the Permitted Dividend, any dividend, distribution or other return of capital or value is announced, declared, made or paid by TClarke or becomes payable by TClarke in respect of the TClarke Shares, Regent reserves the right, to reduce the Consideration that would be payable under the terms of the Acquisition for the TClarke Shares by an amount up to the amount of such dividend and/or distribution and/or other return of capital or value, in which case any reference in this Announcement to the Consideration under the terms of the Acquisition will be deemed to be a reference to the Consideration as so reduced. In such circumstances, TClarke Shareholders would be entitled to receive and retain any such dividend and/or other distribution and/or return of capital or value to which they are entitled. Any exercise by TClarke of its rights referred to in this paragraph 2 shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the Acquisition.
3. The Acquisition will not be made, directly or indirectly, in or into, or by use of the mails of, or by any means or instrumentality (including, without limitation, facsimile transmission, telex, telephone, internet or e-mail) of interstate or foreign commerce of, or of any facility of, any Restricted Jurisdiction.
4. The availability of the Acquisition to persons not resident in the United Kingdom may be affected by the laws or regulatory requirements of relevant jurisdictions. Therefore any persons who are subject to the laws of any jurisdiction other than the United Kingdom and any TClarke Shareholders who are not resident in the United Kingdom will need to inform themselves about and observe any applicable requirements.
5. The Acquisition will be subject, amongst other things, to the Conditions and certain further terms which are set out in this Appendix 1 and to the full terms which will be set out in the Scheme Document.
6. This Announcement and any rights or liabilities arising hereunder, the Acquisition, the Scheme and the Forms of Proxy will be governed by English law and will be subject to the jurisdiction of the English courts. The Acquisition shall be subject to the applicable requirements of the Code, the Takeover Panel, the London Stock Exchange and the FCA.
